About The Event

AGE represents the entire gaming industry covering land based and online channels across all sectors. AGE is a meeting place, market place, educational and debating forum, networking and social hub for the gaming industry involving the demand and supply side, regulators, third parties, opinion formers and industry leaders. AGE continues to be the leading industry event due to its size and scale, the quality and quantity of the audience and the consequent networking and business development opportunities it offers. The gaming industry remains highly dynamic - the continuing growth of online gaming plus new markets opening up across Africa, Asia and Eastern Europe present fresh opportunities for your business to thrive and create a tower of strength.

2ND LARGEST GAMING BUSINESS IN ASIA

The Cambodian government has encouraged the casino industry to flourish in the country and its 69 licensed casinos have witnessed a combined increase in revenues during the first nine months of this year bringing in an additional 34.7 million in gambling taxes, which is a 35.5 increase when compared to the same period in 2015.

NagaCorp operates the NagaWorld casino in Phnom Penh, Cambodia and has enjoyed enormous success over the past few years as it is the biggest casino in Cambodia and benefits from the exclusive license it has to operate in Phnom Penh. The company is currently developing Naga2 which is the second phase of the casino resort that is scheduled to open during the middle of 2017.

Naga2 includes the additional of a hotel with 1,100 rooms, restaurants and spas. Tim McNally, the chairman of Naga recently spoke at the MGS Gaming Summit and announced that the company plans to develop Naga3 which will be the third phase of the casino resort.

CASINOS AND GAMBLING FACTS

Cambodia is a country in East Asia with legal Gambling. There are 13 cities with gambling facilities in Cambodia which have 60 legal gambling facilities available in total. The types of gambling available in Cambodia are - casinos, sports betting parlours. The largest gambling city in Cambodia is Sihanoukville. Sihanoukville keeps developing its local casino industry, the region could soon become one of the world's leading gaming hubs. There are currently 32 casinos operating in Sihanoukville and the national government has recently granted new gaming licenses to develop the city. The second largest city is Paoy Paet with 9 gambling facilities, 675 tables games, 3705 gaming, slot, and video poker machines. The largest casino in the entire country of Cambodia is Star Vegas. International Resort and Casino which is located in Paoy Paet. Star Vegas International Resort and Casino has 109 table games, 1,284 gaming and video poker machines.

NAGACORPREPORTS DOUBLE-DIGIT YEAR-ON-YEAR GROWTH IN BETTING VOLUMES Q1-3

NagaCorp Ltd is a developer and operator of casinos, listed in Hong Kong that recently reported their betting volumes for the first nine months of the year. NagaCorp was able to see double-digit growth for year-on-year totals in all gaming segments during this time frame. Yesterday a filing was submitted by NagaCorp within the Hong Kong Stock Exchange that was based on preliminary unaudited figures. This report showed that VIP rolling from January to September was increased by 11% based on year-on-year with an amount of \$6.60 billion in VIP table action.
